

Learn Sheffield Meeting Note

Localities – Spring 2024

Tuesday 30 January 2024

This meeting note has been written to provide a Learn Sheffield Update for locality meetings taking place at Niagara (following the Leader Seminar) on Friday 2 February. It will also be distributed to all localities.

Learn Sheffield Evaluation

We are planning to publish the Learn Sheffield Evaluation before half term (linked to the AGM below). We have produced the six supporting documents in-house, but the evaluation has been written independently.

We will respond to the Evaluation recommendations after half term and start our conversation with everyone about the future shape of Learn Sheffield through a series of workshops.

Learn Sheffield AGM

The AGM takes place on Thursday 8 February – online at 6pm. The [Learn Sheffield Directors' Strategic Report 2022/23](#) and the [Members Accounts 2022/23](#) are also available [online](#). To attend the AGM, please contact governance@learnsheffield.co.uk or [complete the form](#). The link to join the meeting is below.

Performance Analysis – Insight Reports & Workshop

A provisional version of the performance analysis has been emailed out alongside this meeting note. It is one of the supporting documents for the evaluation but also models how we think that we should work moving forwards.

We will pick up relevant slides in locality and partnership meetings but are also holding a workshop to provide the time to look at it in full.

We are also publishing three Insight Reports to pick up some of the identified trails relating to SEND, Attendance and Outcomes. We will include some further locality attendance data in the Attendance Insight Report.

Primary Partnership Group (PPG) Feedback

The main item at the last meeting (9 January) was the primary performance data, which has now been shared with all school leaders. The meeting also included an update on the Educating for the Future Pilot, where the group fed back on the latest iteration of the report card. PPG will return to this later in the year when the report card has developed further based on feedback from colleagues and parents/carers. The other items covered (and not mentioned elsewhere in this meeting note) were presentations from the St Wilfrid's English Hub and the 'See It Be It' team regarding careers. The minutes and slides for this meeting will be available from your PPG representatives.

The next PPG meeting is on Wednesday 21 February and will be attended by Meredith Teasdale for a main item discussion about SEND.

Learn Sheffield Leadership Breakfast Feedback

Kate Josephs & Meredith Teasdale came to the Leader Breakfast at the start of this term to talk about the [City Goals](#), SCC's draft Council plan '[Together we get things done](#)', [strategic education partnership](#) and the development of a [Belonging Framework](#).

Sheffield Strategic Partnership – Working Group Update

The working group has decided to delay the launch of a proposal about this new strategic partnership until it is clearer how it might fit into the governance of the City Goals (see above). The group also wants to focus initially on the attendance task and finish group, which will be launched after half term. Look out for an email next week with information and dates.
