

This meeting note has been written to provide a Learn Sheffield Update for sector partnerships and locality meetings taking place across the spring second half term. It will be distributed to all sectors, hence this version has some items that are sector specific.

## Sexual Harassment Report

The [Sexual Harassment Report](#) aims to represent the voice of a cross section of secondary school age young people in South Yorkshire to reflect their experience of sexual harassment in their daily lives. It records their experiences and their recommendations about how schools could support them further.

If you have got any questions or would like to discuss the report, please contact its author, Sue Finnigan ([sue.finnigan@learnsheffield.co.uk](mailto:sue.finnigan@learnsheffield.co.uk)).

## DfE SAFE Taskforce

### Sheffield SAFE Taskforce: Annual Report Year 1

This report provides an overview of the Department for Education's SAFE programme in Sheffield and covers the period from September 2022 to September 2023. The report includes information about the project and the Sheffield Taskforce, in addition to the process of identifying pupils and evidence-based interventions. It also describes the mechanisms used to measure the impact, our findings from the first year and how this learning is being used to impact on years two and three.

## Sheffield Poverty Truth Commission

Information about the Sheffield Poverty Truth Commission has been shared alongside this update (also attached to the email). Learn Sheffield is supporting this work and has committed to recruiting two school leaders to act as Commissioners and report back on the learning from this work to our various partnership groups. In the first instance, please watch the short film below, read the leaflet (noting the time commitment) and think about whether you might be interested in being involved.

If you would like to express an interest in this work, or be connected to a colleague who can talk to you about it, please email [stephen.betts@learnsheffield.co.uk](mailto:stephen.betts@learnsheffield.co.uk).
