- The Sheffield Grammar School Exhibition Foundation is a fund to support disadvantaged learners access language education trips abroad. Learn Sheffield now administers this fund and it has been advertised (see below) in the opportunities bulletin.

Sheffield Grammar School Exhibition Foundation

Secondary

The Sheffield Grammar School Exhibition Foundation is a charity which has offered funding to secondary schools in Sheffield for many years the administration for applications has now passed to Learn Sheffield.

The charity funds disadvantaged Sheffield language learners helping some of the neediest and deserving pupils in our schools to meet the costs of language trips abroad. Without this support, many disadvantaged learners would not be able to participate in these educational visits. The condition of funding is that the visit must be for the purpose of language education.

If you feel you have pupils who would benefit from accessing this fund and would like to know more, please do not hesitate to contact Evelyn at evelyn.priestley@learnsheffield.co.uk or by telephone on 0114 250 7417.

- In future it is our intention to share this update at the start of each term rather than as a paper to coincide with meeting dates. On this basis the next update will be in January 2019.
