# STRATEGIC LEADERSHIP OF PUPIL PREMIUM

Marc has designed this course to support settings to plan, implement and evaluate their PP strategy based on the model below.

## Addressing Disadvantage:

A benchmarking and reflection resource for developing a whole-school approach to addressing disadvantage, from strategic planning to individual pupils. Helping all to thrive.

## Key:

- Participation in school life (inside and outside of the classroom). Supported by:
- Classroom priorities, teaching and learning strategies.
- Systems, culture, personal development and pastoral care.
- Strategic planning / school development.
- Golden thread throughout all
